

Join us for a BUS TRIP!

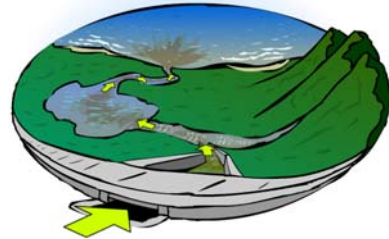

UNIVERSITY of NEW HAMPSHIRE

Stormwater Center

May 7th and 8th, 2007

Registration Fee - \$50.00

The UNH Stormwater Center studies stormwater-related water quality and quantity issues. One unique feature is the field facility to evaluate and verify the performance of stormwater management devices and technologies. Fifteen different management systems are currently undergoing side-by-side comparison testing under strictly controlled conditions.
