Seminar for Municipal Officials: Understanding Land Use Regulations and Enforcement

Each seminar will provide an overview and explanation of jurisdiction under the following Land Use laws:

Coastal Area Facility Review Act (CAFRA)
Waterfront Development
Freshwater Wetlands Protection Act
Coastal Wetlands

Flood Hazard Area Control Act (Stream Encroachment)

- Are you confused by the many land use laws and regulations and how they apply in your community?
 - Do you want to learn how to recognize potential violations & guide the public to NJDEP sources of information?
- Would you like the opportunity to hear the NJDEP address common problems and answer frequently asked questions?
- Do you want to avoid State Enforcement actions?

If you answered YES to any of these questions, mark your calendars and attend one of the five scheduled seminars.
