Build-a-Rain Barrel Workshop

About the workshop
Rain barrels are a great way to capture and recycle rain water for gardening. Join us for a hands-on workshop designed to educate participants on the benefits of rainwater harvesting. Workshop participants will build a rain barrel to take home.

- Select from two dates
- Take a rain barrel home
- A $35 registration fee includes instruction and materials for building one rain barrel

When: March 6 or March 17, 2010

Where: Cousteau Center at Bridgeton
David Sheppard House
31 West Main Street, Bridgeton 08302
